Glossary of poetry terms

POËTA

leaves of spirit
snows in past
buried——_knew

solitary

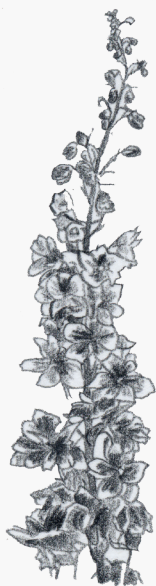

sing you a song
for you'll never see me
again

last winter

by midnight hour
writing you
a love letter

will you marry me?

stopping by
saying 'hi' to my love
——a flying dove

July

clouds in May
shaping your face
remind me of

our intimate nights

the wind in autumn
hurt me ever,
found you lost

estrangement

love you now
don't know how
what a pow!

can't see it

the empty vase
with you this summer
becoming numb

can't sleep

light in a meadow,
_searched for
what you saw there

a lost winter

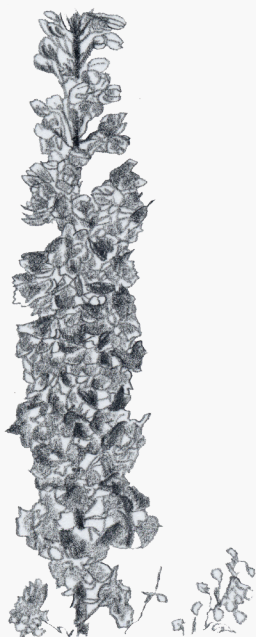

speaking a story,
you told me you loved me
dried flower

why?

_don't know why
unable to kill myself——
since twenty-three

lavender

the poet
a stranger to the 21st century
here _am

becoming a flower

in heaven
Grandma buys me ice cream
bitter taste

daydream

diamond
the hardest stone
you never let me go

last x-mas

_groaned
and cried out
for my beloved ones

at dead of winter
